## Lockdown Exit Strategy Key:

**Red ↑:** No exit strategy adopted, increase in restrictions or lockdown recently extended

**Yellow →:** Exit strategy adopted but measures not currently being lifted

**Green ↓:** Easing of restrictions

Country/Institution	Lockdown Exit Strategy Key	Lockdown exit strategy	Restrictions currently in place (meeting bans, restrictions to freedom of movement, business closures and exit and entry restrictions)
European Commission	Green ↓	<ul style="list-style-type: none"> <li>The European Commission has published its roadmap towards lifting COVID-19 containment measures. The advice is non-binding and aims to ensure a coordinated approach between the lifting of containment measures in Member States. The strategy evolves around three key points:               <ol style="list-style-type: none"> <li><b>Timing:</b> before any measures are lifted, sufficient data on the decreased spread of the virus should exist and healthcare systems should have capacity to avoid overcrowding. Monitoring capacity must also exist.</li> <li><b>Containment:</b> testing and data collection should increase tenfold. Countries must invest in medical and PPE capacities as well as national healthcare systems.</li> <li><b>Pan-EU approach:</b> lifting of measures should have a pan-European character to avoid a second wave.</li> </ol> </li> </ul>	<ul style="list-style-type: none"> <li>A temporary restriction on entering the Schengen zone's external borders. The restrictions exempt EU nationals as well as Schengen Associated States (Iceland, Liechtenstein, Norway and Switzerland). UK citizens will be treated the same as EU citizens until the end of the transition period.</li> <li>A further exemption applies to travelers with an essential need or function, including frontier workers, healthcare professionals, diplomats, passengers in transit, passengers travelling for family reasons and persons in need of humanitarian protection.</li> <li>The restrictions have been extended until May 15<sup>th</sup>.</li> </ul>
Austria	Green ↓	<ul style="list-style-type: none"> <li><b>Gradual lifting of restrictions:</b></li> <li>Small shops reopened 14 April.</li> <li>Access to public parks will be permitted from next week. The government is expected to announce plans to ease lockdown restrictions on schools this week.</li> </ul>	<ul style="list-style-type: none"> <li>All meetings with over 5 participants banned.</li> <li>All schools, restaurants, bars and cafes remain closed.</li> <li>Facemasks mandatory in supermarkets and on public transport.</li> <li>Border controls with Germany, Italy, Switzerland and Liechtenstein extended until 27 April.</li> </ul>

Country/Institution	Lockdown Exit Strategy Key	Lockdown exit strategy	Restrictions currently in place (meeting bans, restrictions to freedom of movement, business closures and exit and entry restrictions)
		<ul style="list-style-type: none"> <li>All shops to reopen under protective measures from 1 May, all other services to open gradually from mid-May at the earliest.</li> <li>Announcement of easing measures for sports facilities expected this week.</li> </ul>	<ul style="list-style-type: none"> <li>Foreign entrants to Austria required to show evidence they have rested negative for Covid-19, with exemptions for cross-border workers. EU and Swiss citizens subject to 14-day quarantine unless they depart immediately to another country.</li> <li>Entry of third country nationals by air from outside the Schengen area suspended</li> <li>Quarantine in Tyrol region, plus several other regions –nobody is allowed to enter or leave the affected communities with the exception of providing basic services or commuting.</li> </ul>
Belgium	Red ↑	<ul style="list-style-type: none"> <li><b>Gradual lifting of restrictions</b> anticipated after May 3<sup>rd</sup>. Exit measures are expected to be announced on Friday the 24<sup>th</sup> of April.</li> <li>Garden centres and DIY shops can open under the same conditions as essential food stores now.</li> </ul>	<ul style="list-style-type: none"> <li>All social gatherings prohibited.</li> <li>All schools, restaurants, bars, cafes and non-essential businesses are closed.</li> <li>Non-essential travel abroad prohibited.</li> <li>Belgian borders are closed to all but freight and travellers on essential business.</li> <li>Citizens required to stay at home except for essential travel. Public transportation remains open</li> </ul>
Bulgaria	Red ↑	<ul style="list-style-type: none"> <li><b>Government has not published an exit strategy but some medical services to resume following Orthodox Easter.</b></li> </ul>	<ul style="list-style-type: none"> <li>Public events and social gatherings banned.</li> <li>All cultural, leisure, catering, service and educational facilities closed.</li> <li>Open markets closed.</li> <li>Ban on visiting parks, public gardens and other public places.</li> <li>Stricter measures in place in Plovdiv.</li> <li>Entry to Bulgaria banned for all citizens except for 19 Member States, with exceptions for returning Bulgarian citizens and those with long-term residence permits.</li> <li>All entrants to Bulgaria subject to 14-day quarantine.</li> <li>Travel to and from Sofia has been banned until further notice except for medical reasons, cargo transport and necessary commuting.</li> </ul>

Country/Institution	Lockdown Exit Strategy Key	Lockdown exit strategy	Restrictions currently in place (meeting bans, restrictions to freedom of movement, business closures and exit and entry restrictions)
Croatia	Red↑	<ul style="list-style-type: none"> <li><b>No exit strategy adopted yet.</b> Relaxation of some measures is under consideration and will be announced in due course.</li> </ul>	<ul style="list-style-type: none"> <li>Gatherings of more than 5 people prohibited.</li> <li>Prohibition on leaving the place of residence except for essential reasons.</li> <li>Weddings and funerals only permitted for immediate family.</li> <li>Cultural, catering, service, educational and sporting establishments closed, religious gatherings suspended.</li> <li>Temporary ban on all EU border crossings with an exception for citizens required to cross the border for work, and limited crossing points for freight vehicles between Croatia and Slovenia.</li> <li>Temporary suspension of border crossings with Bosnia and Herzegovina from 2 April. Two-week quarantine required for all foreign and Croatian nationals</li> </ul>
Cyprus	Yellow →	<ul style="list-style-type: none"> <li>Lockdown extended until the end of April.</li> <li><b>Three-stage exit strategy approved</b> on the 15<sup>th</sup> of April under which vital sections of the economy will open up by early May.</li> <li>The three stages extend to the end of 2021. The lockdown exit itself is stage two which will take part between May and September.</li> </ul>	<ul style="list-style-type: none"> <li>All unnecessary movement including gatherings prohibited. All non-essential shops closed.</li> <li>Access restrictions, nationals need to provide medical certificate and enter a compulsory 2-week government quarantine. All tourists banned. Commercial airlink ban extended until April 18<sup>th</sup></li> </ul>
Czechia	Green ↓	<ul style="list-style-type: none"> <li><b>Markets and craft shops open from 20 April;</b> some retail outlets will reopen from 27 April; gradual lifting of other restrictions during May and from 8 June most shops, restaurants, hotels and theatres will reopen. Public events will be limited to no more than 50 people.</li> <li>Measures relaxed to permit individual sport without a face covering from 7 April and some shops (e.g. hardware stores) open from 9 April.</li> </ul>	<ul style="list-style-type: none"> <li>Restrictions in place until 11 May.</li> <li>All non-essential movement prohibited, contact with others to be as limited as possible.</li> <li>Meetings of a maximum of two people unless household members or for work.</li> <li>Movement outside place of residence only permitted with face mask (exceptions for individual sport).</li> <li>Restaurants, bars, leisure facilities, and shopping centres closed.</li> </ul>

Country/Institution	Lockdown Exit Strategy Key	Lockdown exit strategy	Restrictions currently in place (meeting bans, restrictions to freedom of movement, business closures and exit and entry restrictions)
			<ul style="list-style-type: none"> <li>• Grocery stores, pharmacies and shops providing essential services remain open; some shops (e.g. hardware stores, bicycle shops) open from 9 April.</li> <li>• Educational facilities closed.</li> <li>• People will be permitted to leave Czechia from 14 April for necessary travel. They will be subject to a health check and quarantine on their return.</li> <li>• All foreigners without permanent or temporary (over 90 days) residence prohibited from entering with certain exceptions.</li> <li>• Cross-border travel for work allowed subject to proof and applicable only to those travelling for more than 21 calendar days.</li> <li>• Border controls with Germany and Austria; border with Slovakia and Poland closed by those countries. All entrants outside exceptions for cross-border workers subject to 14-day quarantine.</li> </ul>
Denmark	Green↓	<ul style="list-style-type: none"> <li>• <b>Schools and day-care have reopened.</b></li> <li>• Hairdressers, beauty salons and driving schools have reopened from April 20<sup>th</sup>.</li> <li>• Other schools will return to school at the earliest on May 10<sup>th</sup>.</li> <li>• Churches, libraries and sport clubs will remain closed until May 10<sup>th</sup>, as well as shopping centres.</li> <li>• Border controls will stay in place until May 10<sup>th</sup>.</li> </ul>	<ul style="list-style-type: none"> <li>• Ban on gatherings with over 10 people prohibited until 10<sup>th</sup> of May</li> <li>• Nightclubs, bars, restaurants, malls, department stores, sporting and leisure facilities, and public cultural institutions closed until 10 May.</li> <li>• Shops that remain open need to enforce distancing</li> <li>• Borders closed to all non-Danish residents except for provision of goods/services.</li> <li>• 14-day quarantine for citizens returning to Denmark.</li> <li>• Events of 500+ attendees will be prohibited until September.</li> </ul>
Estonia	Yellow →	<ul style="list-style-type: none"> <li>• <b>Government has agreed on seven metrics to measure when an exit is called for</b> (including number of hospitalised, number of infected, healthcare capacity, etc.).</li> </ul>	<ul style="list-style-type: none"> <li>• All meetings of more than 2 banned. People are ordered to keep 2-meters apart. Schools, entertainment venues and shopping centres closed.</li> <li>• Borders closed</li> </ul>

Country/Institution	Lockdown Exit Strategy Key	Lockdown exit strategy	Restrictions currently in place (meeting bans, restrictions to freedom of movement, business closures and exit and entry restrictions)
		<ul style="list-style-type: none"> <li>Minister of Finance Martin Helme announced that it is expected that the lockdown will continue into May and June.</li> </ul>	
<b>Finland</b>	Yellow →	<ul style="list-style-type: none"> <li><b>Finland has set up expert committee to examine gradual easing of stay-at-home orders.</b></li> <li>Travel restrictions from Uusimaa have been lifted as of 15 April.</li> <li>Gradual lift of restrictions expected from May 13<sup>th</sup>.</li> </ul>	<ul style="list-style-type: none"> <li>All public gatherings with over 10 people prohibited until May 13<sup>th</sup>.</li> <li>Public buildings, leisure and sport facilities and schools closed until 13 May.</li> <li>Restaurants to be closed until 31<sup>st</sup> of May.</li> <li>Only Finnish citizens allowed to enter Finland, with exemption for transit or necessary travel.</li> <li>Restrictions to be imposed on the Swedish border and ferries between Germany, Sweden and Estonia to stop selling tickets to passengers.</li> <li>14-day quarantine for anyone returning to Finland.</li> </ul>
<b>France</b>	Red ↑	<ul style="list-style-type: none"> <li><b>Government will announce a more detailed lockdown exit plan by the end of April, but lockdown until May 11<sup>th</sup>.</b></li> </ul>	<ul style="list-style-type: none"> <li>All social gatherings prohibited and closing of establishments open to public since March 14<sup>th</sup> at midnight.</li> <li>Stricter confinement from March 17<sup>th</sup>.</li> <li>After May 11<sup>th</sup>, the biggest number should go back (rules will be worked out between authorities and trade unions to ensure proper sanitary precautions in the workplace).</li> <li>Big festivals and events with large crowds will not be held until least mid-July</li> <li>Kindergartens, grade and high schools will progressively reopen as of May 11<sup>th</sup> but universities won't be able to hold classes in person until the summer.</li> <li>All travel prohibited.</li> <li>Borders closed, with French residents allowed to return home.</li> <li>Borders with non-European countries will remain closed until an indefinite date</li> <li>Justification required for traveling in and around France.</li> </ul>

Country/Institution	Lockdown Exit Strategy Key	Lockdown exit strategy	Restrictions currently in place (meeting bans, restrictions to freedom of movement, business closures and exit and entry restrictions)
Germany	Green ↓	<ul style="list-style-type: none"> <li>• Small shops have reopened from April 20<sup>th</sup>.</li> <li>• Schools will reopen on May 4<sup>th</sup>.</li> <li>• Large gatherings will remain banned until August 31<sup>st</sup>.</li> </ul>	<ul style="list-style-type: none"> <li>• Lockdown extended until May 4<sup>th</sup></li> <li>• All meetings with over 2 people banned until May 4<sup>th</sup></li> <li>• People are ordered to keep 1.5-meters apart</li> <li>• Restaurants and businesses requiring close physical contact closed</li> <li>• Cross-border travel is only allowed for urgent reasons. Assessments are made on case-by-case basis.</li> <li>• Ban on holiday travel, overnight accommodation in Germany must be essential. Border checks between Austria, Switzerland, France, Luxembourg and Denmark. Government discussing today whether border checks between Poland, Czechia, Belgium and Netherlands are necessary.</li> </ul>
Greece	Red ↑	<ul style="list-style-type: none"> <li>• <b>Lockdown extended until 27 April. Exit strategy expected as follows based on the government's first draft (yet to be adopted)</b></li> <li>• 27 April: Internal movement restrictions lifted.</li> <li>• 27 April – 4 May Preparation for the reopening of restaurants and commercial shops</li> <li>• 4 – 11 May businesses reopen</li> <li>• Until 15 June, all shops work under capacity limitations based on square footage.</li> <li>• Schools expected to reopen between June and July.</li> <li>• Events of more than 50 people allowed after 15 June.</li> <li>• Temperature checks to be put in place in both air and sea travel until 30 September.</li> </ul>	<ul style="list-style-type: none"> <li>• Public and recreational meetings banned.</li> <li>• All non-essential shops closed</li> <li>• All travel to and from Greece banned for non-Greek citizens. Two-week quarantine mandatory on return from abroad.</li> <li>• Flights not accepted from Italy, Spain and the UK. Road borders with Albania, North Macedonia and Turkey closed</li> </ul>
Hungary	Red ↑	<ul style="list-style-type: none"> <li>• <b>Emergency situation extended indefinitely.</b> No published exit strategy.</li> </ul>	<ul style="list-style-type: none"> <li>• All public and recreational meetings prohibited.</li> <li>• All non-essential shops are either closed or have limited opening hours.</li> </ul>

Country/Institution	Lockdown Exit Strategy Key	Lockdown exit strategy	Restrictions currently in place (meeting bans, restrictions to freedom of movement, business closures and exit and entry restrictions)
		<ul style="list-style-type: none"> <li>Prime Minister Victor Orban announced that a recovery plan would be in place by May 3<sup>rd</sup>, at which point Hungary will have reached its full self-defence capability.</li> </ul>	<ul style="list-style-type: none"> <li>Borders closed for international passengers</li> </ul>
Italy	Green ↓	<ul style="list-style-type: none"> <li>Government exit task force considering partially lifting lockdown measures on 4 May.</li> <li><b>Some shops open (stationery, bookshops and children's clothing), and forestry and timber production resumed from 14 April.</b></li> <li>Measures differ between regions.</li> </ul>	<ul style="list-style-type: none"> <li>All public and recreational gatherings prohibited – anyone leaving the house must carry a form to declare why they are outside. Only one parent allowed to accompany minors outside.</li> <li>Access to parks and public gardens banned.</li> <li>All businesses not strictly necessary to ensure essential goods and services closed – only supermarkets and pharmacies remain open with some exceptions from 15 April.</li> <li>Lockdown measures in place until 3 May.</li> <li>Full travel ban. Austria, Slovenia and Switzerland have imposed border controls.</li> <li>Travel within the country banned from March 22.</li> </ul>
Ireland	Red ↑	<ul style="list-style-type: none"> <li><b>No exit strategy adopted yet</b></li> <li>Government is monitoring what is happening in other countries lifting restrictions.</li> </ul>	<ul style="list-style-type: none"> <li>Restrictions extended to 5 May.</li> <li>Outside gatherings restricted to 4 people</li> <li>Citizens should only go out for essential reasons.</li> <li>Schools, non-essential retail outlets, theatres, clubs, contact-based businesses. Hotels to limit occupancy to essential, non-social and non-tourist reasons</li> <li>Travel should only be for essential reasons.</li> </ul>
Latvia	Red ↑	<ul style="list-style-type: none"> <li>Lockdown has been extended until 12 May. <b>No published exit strategy.</b></li> </ul>	<ul style="list-style-type: none"> <li>All meetings with over 2 people banned in public.</li> <li>Sports facilities, and non-essential shops closed during weekends.</li> <li>All international transport cancelled; people can still travel privately (i.e. using a car)</li> </ul>

Country/Institution	Lockdown Exit Strategy Key	Lockdown exit strategy	Restrictions currently in place (meeting bans, restrictions to freedom of movement, business closures and exit and entry restrictions)

Australia	Red ↑	<ul style="list-style-type: none"> <li><b>Health Minister Greg Scott has advised on a 'phased lifting of restrictions.'</b> PM Scott Morrison has announced a gradual easing of particular restrictions, that may need to be re-imposed if infections again start to rise. The easing of restrictions will be assessed state by state.</li> </ul>	<ul style="list-style-type: none"> <li>Ban on gatherings of more than 2 people. All states are adhering to strict guidelines however the list of conditions for leaving home vary state. All non-essential services would be closed.</li> <li>Most businesses are closed however, businesses remaining open include;</li> <li>Shopping centres, bottle shops</li> <li>Medical centres and pharmacies</li> <li>Australians urged to reconsider all "unnecessary travel"</li> <li>All arriving travellers will be required to quarantine for 14-days</li> </ul>

Country	Lockdown Exit Strategy Key	Lockdown exit strategy	Restrictions currently in place (meeting bans, restrictions to freedom of movement, business closures and exit and entry restrictions)
			<ul style="list-style-type: none"> <li>Border closed to non-residents. Internal borders closed since Friday (Apr 3). Western Australia is enforcing a hard border close from Sunday (Apr 5).</li> </ul>
<b>Brazil</b>	Red ↑	<ul style="list-style-type: none"> <li>Brazil's President Jair Bolsonaro is urging the country to "return to normality" but is facing strong criticism for his denial of the crisis.</li> <li>Most social isolation measures are being implemented on a state level. <b>Around 24 of Brazil's 27 states are continuing to implement distancing measures</b></li> </ul>	<ul style="list-style-type: none"> <li>No national legislation has been brought in to ban social gatherings, or implement businesses or educational, however closures continue to be implemented by Governors on a state level.</li> <li>From 30 March there is a 30 day entry ban by air travel, though this excludes Brazilian residents and immediate family nationals. Land borders are also closed to all but Brazilian citizens and residents.</li> <li>Inter-State travel restrictions are being implemented at a local level. Intercity buses are suspended and access to the metro is for key workers only.</li> </ul>
<b>Canada</b>	Red ↑	<ul style="list-style-type: none"> <li><b>No formally published exit strategy, with any restrictions not being lifted for 'many more weeks'</b> according to Canadian Prime Minister, Justin Trudeau.</li> </ul>	<ul style="list-style-type: none"> <li>Restrictions on the size of gatherings are dependent on Province. All Provinces have bans on gatherings ranging from 50 or more in Alberta, BC, Manitoba to bans of 2 people or more in Ontario and Québec.</li> <li>Schools have been closed across Canada.</li> <li>Non-essential businesses are closed across Canada. But this is decided by each Province individually</li> <li>The border is closed to all non-residents except for US nationals. The Canada-US border is open to US nationals completing essential travel.</li> <li>Air travel limited to four airports: Vancouver, Montreal, Toronto and Calgary</li> <li>New Brunswick and Ontario have border restrictions for those entering the states</li> </ul>
<b>China</b>	Green ↓	<ul style="list-style-type: none"> <li><b>Most lockdown measures have been lifted.</b></li> <li>Health checks are required for leaving Hubei province.</li> </ul>	<ul style="list-style-type: none"> <li>Dependent on province.</li> <li>Most businesses and schools have reopened.</li> <li>Halted most international flights.</li> </ul>

Country	Lockdown Exit Strategy Key	Lockdown exit strategy	Restrictions currently in place (meeting bans, restrictions to freedom of movement, business closures and exit and entry restrictions)
			<ul style="list-style-type: none"> <li>All foreigners, including non-nationals with valid visas and residence permits before 28 March 2020, banned from entering. New visas now applied for will be considered “for necessary economic, trade, scientific or technological activities or out of emergency humanitarian needs.</li> <li>Travel restrictions imposed on Suifenhe City in the northern province of Heilongjiang on 8 April, following a surge in cases.</li> </ul>
Hong Kong	Red ↑	<ul style="list-style-type: none"> <li><b>None as of yet.</b> Hong Kong has announced an extension of the city’s social distancing measures. Hong Kong reported its first day since early March with no new cases, but considers it too early to lift restrictions.</li> </ul>	<ul style="list-style-type: none"> <li>Pubs and bars are to close for two weeks from Friday 3 April</li> <li>All non-residents will be banned from entering for 14 days starting Wednesday.</li> </ul>
India	Green ↓	<ul style="list-style-type: none"> <li><b>The government has begun easing restrictions</b> in areas least impacted by the virus.</li> <li>It is doing this through a colour coded system distinguishing each district based on the number of people infected.</li> <li>There are three types of zones: <ol style="list-style-type: none"> <li>Green: No infections in the area. No area of the country is currently designated a green zone.</li> <li>Orange: Some infections present in the area.</li> <li>Red: Area is an infection hotspot.</li> </ol> </li> <li>On 20 April, the Indian Government decided to allow the easing of restrictions in green zones. This mainly targets agricultural businesses to restore the food supply chain. Essential public worker programmes have also restarted.</li> </ul>	<ul style="list-style-type: none"> <li>Only essential services open.</li> <li>All schools closed.</li> <li>International flight ban extended to 3 May. This does not apply to all-cargo flights.</li> <li>Indian as well as foreign travellers banned from entering India if travelling from Europe, Turkey or the United States.</li> <li>India border with Nepal and Myanmar closed.</li> <li>All states sealed their borders. Migrants ordered to remain where they are.</li> </ul>

Country	Lockdown Exit Strategy Key	Lockdown exit strategy	Restrictions currently in place (meeting bans, restrictions to freedom of movement, business closures and exit and entry restrictions)
		<ul style="list-style-type: none"> <li>State governments hold the power of deciding what lockdown measures can be eased</li> <li>Kerala has announced a significant easing of restrictions in its green zones, with private vehicle movement and sit-in restaurants allowed to restart.</li> <li>All restrictions will remain in place in a large part of India, including Dehli and the provinces of Uttar Pradesh, Andhra Pradesh, Telangana and Karnataka.</li> </ul>	
Japan	Red ↑	<ul style="list-style-type: none"> <li><b>No exit strategy as of yet.</b> State of emergency been extending to cover the whole country beyond the capital Tokyo and six other prefectures – accounting for about 44% of Japan’s population – for a period of about one month.</li> </ul>	<ul style="list-style-type: none"> <li>Large events suspended. Schools closed.</li> <li>Museum, galleries and theme parks closed.</li> <li>Ban on entry to travellers who have been in China, Iran or Italy 14 days before arrival.</li> </ul>
Switzerland	Yellow →	<ul style="list-style-type: none"> <li><b>Three-phase lockdown exit strategy to be approved today.</b> The first phase will take place on 27 April, with hairdressers, physiotherapy practices, hardware stores and nurseries set to reopen</li> <li>The second phase, set to take place on 11 May, will involve the reopening of schools and universities. The third phase of the exit strategy includes the reopening of bars and restaurants. This would take place on 8 June and would likely include some form of social distancing requirement..</li> </ul>	<ul style="list-style-type: none"> <li>Ban on gatherings of more than five people.</li> <li>All bars, restaurants and sports facilities closed.</li> <li>Schools closed until April.</li> <li>Wide-ranging checks at land borders with surrounding Austria, France, Germany, and Italy.</li> <li>People coming from the four neighbouring countries and Spain, as well as all non-Schengen countries are now unable to enter.</li> <li>No further visas to be granted for any non-Swiss for three months.</li> </ul>
Singapore	Red ↑	<ul style="list-style-type: none"> <li><b>No formally published exit strategy.</b></li> </ul>	<ul style="list-style-type: none"> <li>A ban on gatherings of any size.</li> </ul>

Country	Lockdown Exit Strategy Key	Lockdown exit strategy	Restrictions currently in place (meeting bans, restrictions to freedom of movement, business closures and exit and entry restrictions)
			<ul style="list-style-type: none"> <li>• Non-essential businesses to close their premises from 7 April until 4 May.</li> <li>• All schools to be closed from 8 April.</li> <li>• Companies must implement working from practices or face fines.</li> <li>• There is a ban on entry and transit.</li> <li>• Only work-pass holders, including their dependents, who are providing essential services will be allowed entry. Requirement to obtain approval from the Ministry of Manpower before travel.</li> </ul>
Taiwan	Green↓	<ul style="list-style-type: none"> <li>• <b>Taiwan are not in lockdown so do not require an exit strategy.</b></li> </ul>	<ul style="list-style-type: none"> <li>• No meeting bans.</li> <li>• Schools are open.</li> <li>• No businesses are currently mandated to close due to COVID-19.</li> </ul>
UK	Red↑	<ul style="list-style-type: none"> <li>• Nationwide lockdown reviewed on a rolling-basis every 3 weeks.</li> <li>• Lockdown has been extended “at least” until 7 May, when measures will be reviewed again</li> <li>• Five conditions have been set at that must be met, if lockdown measures are to be eased: <ol style="list-style-type: none"> <li>1. Confidence that sufficient NHS specialist care and treatment can be provided across the UK.</li> <li>2. There is a “sustained and consistent” fall in the COVID-19 death rate making it clear that the peak has passed.</li> <li>3. The rate of COVID-19 infection is decreasing across the board.</li> <li>4. Operational challenges including testing and PPE are all in hand.</li> </ol> </li> </ul>	<ul style="list-style-type: none"> <li>• Gatherings of more than 2 people banned unless they live together.</li> <li>• Certain local authorities have closed parks.</li> <li>• All non-essential businesses closed.</li> <li>• Schools and nurseries closed to all except children of key workers.</li> </ul>

Country	Lockdown Exit Strategy Key	Lockdown exit strategy	Restrictions currently in place (meeting bans, restrictions to freedom of movement, business closures and exit and entry restrictions)
		<p>5. Any adjustment must “not risk” a second peak of infections that will overwhelm the NHS.</p>	
US	Yellow →	<ul style="list-style-type: none"> <li>• <b>President Trump told Governors on a conference call that he wants to begin reopening the US economy on May 1<sup>st</sup>.</b></li> <li>• The White House distributed a document of guidelines for “Opening up America Again” that offers proposed phased re-openings in states or regions that meet certain “gating” criteria.</li> <li>• The White House has also launched a Task Force on Reopening the Economy. It includes executives from sectors including technology, agriculture, banking, financial services, defence, energy, transportation, sports and health care.</li> <li>• <b>California</b> has published a road map for easing of COVID-19 restrictions, setting out 6 criteria that would need to be met – including protections for vulnerable individuals, increased hospital capacity, increased testing and contact tracing.</li> <li>• <b>Georgia</b> Governor Brian Kemp outlined plans to begin easing the state’s current lockdown requirements, stating that gyms, bowling alleys, barbers and salons will be able to reopen from April 24<sup>th</sup>. Restaurants, theatres and private social clubs can reopen from Monday April 27<sup>th</sup>.</li> </ul>	<ul style="list-style-type: none"> <li>• Urging public to avoid gatherings of more than 10 people</li> <li>• State-based restrictions in place</li> <li>• Entry restrictions for foreign nationals who have visited China, Iran, Europe or the UK in the past 14 days.</li> </ul>

Country	Lockdown Exit Strategy Key	Lockdown exit strategy	Restrictions currently in place (meeting bans, restrictions to freedom of movement, business closures and exit and entry restrictions)
		<ul style="list-style-type: none"> <li>• <b>Tennessee</b> governor Bill Lee said this week he would not be extending his safer-at-home order that is set to expire on April 30<sup>th</sup>. The vast majority of businesses in 89 countries will be allowed to reopen on May 1<sup>st</sup>.</li> <li>• <b>South Carolina</b> Governor Henry McMaster has relaxed rules for previously non-essential businesses including department stores. Public beaches will also be reopened.</li> </ul>
